

It's Your Business—Online

How to Start or Expand Your Business

- Create or update a business that supports key values and intentions
- Gain research, marketing and business planning skills
- Learn how to understand, manage and analyze business finances
- Develop creativity, relationships and technology to market products and services
- Learn how successful business owners evaluate and leverage their resources
- Network with fellow business owners

"Having a dream and a passion for that dream is only half of the battle. This class provided me with the tools and an environment in which I can make my dream a reality."
~ Jay Shinn

Online from the comfort of your home or office.
You will be joining via a video-conference platform. Computer microphone, speakers and a web camera is recommended. If you have questions about technical requirements, contact JEDI

Dates: Wednesdays, January 31st to March 21st, 2018
Classes will be held at the JEDI Training Lab in Mt. Shasta on 1/31 & 3/21. If you cannot attend in person video conferencing will be available.

Time: Wednesdays 5:30 to 8:00 pm

Cost: \$40 with JEDI Membership. Scholarships are available.
Printed manuals included — \$15 for shipping.

Trainer: Joy Taylor, WBC Director
